

Weekly 9 report

Yicheng sun

Website address: <http://web-wnv.cvjzv83vmx.us-west-2.elasticbeanstalk.com/index.html>

In this week I start build my rest login system. account and upload image. after build a new model named Post. I could do some upload work though my website. To achieve my goal, I asked uploader input the keywords, address and categories of the picture ,Then I make the images I uploaded appear on my account. Now if you want, you can try upload some pictures to your account, and do some search!
